Without Prejudice

Dear

It was agreed that:

- 1) As of the above date, the Fine Arts department will not contract any music teachers to assist in the classroom who are not members of the Surrey Teachers' Association.
- 2) In the future, should the Fine Arts department wish to have an experienced teacher assist new teachers, a TOC position will be posted and filled in the usual manner.

I appreciated your professionalism and was pleased with the progress made during our discussion.

Thank you again for making this agreement possible.
