

Settlement Agreement

Between:

British Columbia Public School Employers' Association/Board of Education of School District No.
36 (Surrey)

(the "Employer")

And:

British Columbia Teachers' Federation/Surrey Teachers' Association

(the "Union")

BCTF File NO. 36- 2017-0002; Local File No. 16-17-013 (Technological Change)

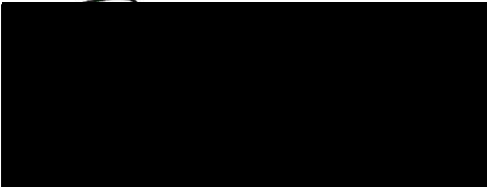

Whereas:

- A. The Union filed a Grievance on November 23, 2016 with reference number 16-17-013 (the "Grievance"); and
- B. The parties met with the assistance of Arbitrator Corinn Bell on May 30, 2018;

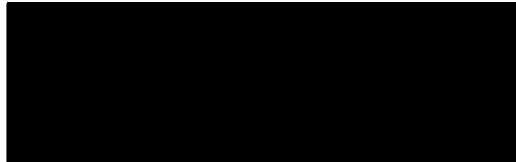

Now therefore the parties agree to resolve the Grievance on the following terms:

1. The parties agree to at least 3 meetings (early in the school year, near the midpoint of the school year and near the end of the school year) between the District representative responsible for Communicating Student Learning and up to two other District representatives and the STA Professional Support Services Officer and up to two other STA representatives. The purpose of the meetings is to review feedback and discuss improvement to tools to support reporting for good faith consideration by the District.
2. At the first staff meeting of the school year the principal will, at a minimum, make staff aware of resources dedicated to privacy considerations relating to communicating student learning. The Employer will incorporate privacy issues into training sessions provided by the Communicating Student Learning department and will develop a best practices resource on privacy issues to be posted on the Communicating Student Learning resource web pages (www.surreyschools.ca/csl and www.sd36csl.com).

3. The Employer will advise school principals on ways they can access available technology for their schools and will provide the STA with the same information. The District will provide the STA with information showing current device inventory (by school) twice per school year. The STA agrees to use this information for internal STA communications around the distribution of technology, rather than mass publication to members.
4. The Grievance is resolved and this Agreement is without prejudice to either party.
5. Corinn Bell will remain seized.
