

Memorandum of Agreement

Between

School District #36 (Surrey)

(the “District”)

and

Surrey Teachers’ Association

(the “STA”)

RE: Variance to the Instructional Day

1. The parties agree that this agreement is without prejudice and will apply no earlier than September 1st, 2021 and no later than the last day of the 2021/2022 school year.
2. Article D.22.1.d of the Collective Agreement between the parties is hereby varied with regard to the persons, courses, instructional hours and term duration.
3. The course(s) will be part of the teacher’s instructional week and the teacher will receive equivalent weekly unpaid time off in lieu during the regular timetable. Wherever and whenever possible the teaching time should be consecutive. The teacher will not be required to be on site during this time off in lieu period.
4. It is specifically noted that this variance in no way relieves the District from its contractual obligations with regard to class size and class composition.
5. A teacher teaching on call (TTOC) replacing a teacher covered by this variance for a period of less than 6 days, may accept or decline the assignment for the period covered by the school’s regular instructional day.
6. Where a teacher covered by this variance is absent for less than 6 consecutive days, the teacher will reschedule the class within a reasonable period of time at a time and on a day that is reasonable to the teacher, students and the school. There will be no extra cost to the District, save possibly for #7 herein, as a result of this.
7. When the class rescheduled pursuant to #6 above is taught by the regular teacher, then such teacher will confirm on a monthly basis, in writing to the Principal/Vice-Principal, the duration of the rescheduled class or classes which have been taught by the regular teacher. At the end of the school year, the administrative officer will report to the Payroll Department of the District, with a copy to the teacher, the accumulated amount of sick leave to be credited to the teacher. The amount of sick leave to be credited will be based on the following:

$$\frac{\text{Accumulated minutes of rescheduled time taught}}{\text{Regular daily instructional minutes in the school}} = \text{FTE sick days}$$

The teacher will have until September 15, 2022 to grieve any disagreement with the amount of sick leave credited.

8. In the event that a TTOC is assigned pursuant to #5 herein on a day in which a class is scheduled outside the regular instructional day, then the Principal/Vice-Principal may assign the TTOC during the in-lieu block that is available.
9. In the event that the class is not rescheduled within a reasonable period, then the principal will refer the matter to the Human Resources department of the District and, if necessary, an agreed upon solution will be sought with the STA.
10. (a) In the event that a teacher covered by this variance is expected to be absent for 6 or more days or vacates the position, then the variance will not be denied unreasonably by either party, to similarly apply to the replacement teacher during the term of the variance. This will apply when the teacher covered by the variance is absent for 6 or more consecutive days. A position which includes a variance may only be posted when the teacher covered by the variance is expected to be absent for 6 or more consecutive days or vacates the position.
 - (b) A teacher, whether a TTOC or otherwise, may be offered and may accept the above noted opportunity to replace the absent teacher for the teacher's full instructional schedule including classes outside the instructional day.
 - (c) In the event that a teacher accepts a vacant position posted in Rounds 1 or 2 that had been approved for a variance outside the instructional day, the teacher will complete the Variance application and submit to the Surrey Teachers' Association before June 30, 2021.
 - (d) In the event that a teacher accepts a vacant position posted in Round 3 or is placed in a position that had been approved for a variance outside the instructional day, the teacher will complete the Variance application and submit to the Surrey Teachers' Association by the Friday after Labour Day, 2021.
 - (e) If a TTOC declines an offer pursuant to 10(b) due to classes scheduled outside the regular instructional day, then the TTOC's decision will not be recorded and it will be without prejudice with respect to the employment relationship of the TTOC with the Board.
11. If a resolution is not achieved with regard to the rescheduling of a class or the implementation, interpretation, application or operation of this Agreement, the impasse may be referred to Joan Gordon for a final and binding determination. In order to expedite the matter, it is agreed that the determination may result from a telephone conference meeting whereby representations are made to Joan Gordon at an early mutually agreed time failing which Ms. Gordon will schedule the hearing.

Dated in Surrey, B.C. this 22nd day of October, 2020.

To: Secondary STARA Reps December 7, 1995 From: Ralph Sebastian
Re: Variances to the Instructional Day

Since last Spring the STA has been trying to reach agreement with the Board on terms of a proposed variance to the instructional day which would accommodate secondary teachers who wish to offer credit courses in the performing arts outside the regular instructional day of their school. *On December 6, 1995 the parties agreed to a process to achieve that variance and identify the teachers who are covered (attachment 1).*

1. A STARA rep at each secondary school will be provided with:
 - a. This explanatory letter,
 - b. A copy of the application form, and
 - c. A copy of the terms which are proposed to apply to all successful applicants
 2. Each STARA rep is asked to provide those teachers who wish to apply for such a variance with this full package, and to approach the chairperson of the staff committee to facilitate the staff committee's consideration of requests for support from applicants faced with a December 15th DEADLINE.
 3. Applicants are cautioned to carefully consider the form and the terms and to complete all sections fully, giving the details requested (e.g., ... I, Mary Jones would like to apply for a variance in order to teach Concert Bank 10-12 from 2:45 PM to 4:15 PM on Tuesdays and Thursdays from February 1, 1996 to June 27, 1996. The educationally sound reasons...)
- 7 -
4. The STA Executive will consider ALL applications at an Executive meeting on December 19, 1995. Those applicants which are approved by the Executive will be forwarded to the Board by the morning of December 21, 1995.
 5. The Board will consider the terms and the list of applicants who have been approved by the STA. The Board will inform the STA by January 9, 1996 if the Board has ratified the terms of the variance and, if ratified, will attach the list of those applicants on the list in #4 who have also been approved by the Board.
 6. If the Board does not agree to the terms in #1 c, or if a teacher is scheduled to teach a credit course outside the regular instructional day without being on the mutually approved list in #5, then all such teachers and all such credit courses must and will be immediately rescheduled within the regular instructional day.

Thank you for your assistance in getting this information into the hands of those teachers seeking such a variance. Inquiries should be directed to the STA office at [# omitted].
