## Professional Development Funding Guidelines 2022-2023

# STA PRO-D FUNDING GUIDELINES FOR 2022-2023

## General Guidelines:

- The name of each school/site Pro-D chairperson must be submitted to the STA Pro-D Committee by September 30th of each year.
- When applying for Pro-D funds to cover TTOC costs, an approved Pro-D funding application form must be on file at the STA office prior to booking the LOA.
- Each school/site Pro-D chair or alternate is expected to attend one day of training each year prior to the school Pro-D funds being released.
- Only members of the STA are eligible for Pro-D funding, including receiving money and/or TTOC costs.
- Only STA members can vote on fund use, funding policies and guidelines, function as signing officers and/or vote for school Pro-D or LSA committees.
- Each school/site staff shall determine its own funding policy. These policies must adhere to the STA funding guidelines. These policies shall be brought before and adopted by the school's STA members and should be reviewed from time to time.
- Pro-D applications from STA members must be authorized by their school's/site's elected Pro-D Chairperson according to STA/BCTF guidelines. Final approval is given by STA Pro-D Committee.
- The purpose of professional development, as laid out in the collective agreement guides the approval of Pro-D Funding applications: F.22.1 The Board and the Surrey Teachers' Association recognize the value of professional development activities to enhance curricular knowledge, to heighten instructional skills, and to broaden exposure to pedagogical theories, methods, and strategies.
- If an individual applies for more than \$500.00 to attend an event, the school Pro-D Chairperson will consult with the STA Professional Development Officer (Erin Coleman) prior to approving the request.
- Funding appeals should be directed to the STA Pro-D Committee.
- STA members can only apply from one base school as designated by the Board list within one school year unless approved by the Pro-D Committee of a school other than their base school for a specific event.
- Funds are paid in Canadian dollars. If reimbursing a member who has paid a US invoice, please include receipt of payment, and proof (e.g., excerpt of credit card statement) of actual amount paid in Canadian dollars.
- **ORIGINAL ITEMIZED RECEIPTS** must be submitted with all claims for reimbursement.
- Confirmation of attendance at ALL Pro-D sessions must be included with application forms, where applicable (e.g., where a workshop or conference was attended). If the member is NOT claiming Pro-D funds to cover the cost of registration, a copy of the receipt is sufficient, otherwise, only ORIGINAL ITEMIZED RECEIPTS will guarantee payment.
- Original receipts must be submitted for reimbursement when claiming meal costs for WHOLE STAFF events.

## STA Convention Day:

Funding for all STA members to attend Convention is provided by the STA. STA members are expected to attend the STA Convention. **NOTE: STA Convention Day is Friday, May 5, 2023.**

**October PSA Conference Day:** Teachers are encouraged to attend a PSA Conference in October.

## Province-wide PSA Days:

2022-2023: October 21, 2022

## **Pro-D Funding Application Procedures**

**THE FOLLOWING 2022-2023 PRO-D APPLICATIONS AND RECEIPTS MUST BE RECEIVED BY THE STA OFFICE ON OR BEFORE SEPTEMBER 15, 2023.**

### **WHOLE STAFF PRO-D FUND Application Guidelines & Procedures**

**NOTE:** Funding may be approved for whole school Pro-D days. The school Pro-D chairperson must fill in and sign the Whole Staff Pro-D Funding Application form. Non-members attending the event should be charged a pro-rata amount for the day.

- Fill in a Whole Staff Pro-D Funding Application Form and record the total expected costs on the Pro-D Funding Record sheet.
- After the event, submit all ORIGINAL ITEMIZED receipts, along with the Whole Staff Pro-D Funding Application form, a schedule of the day or agenda and a copy of the staff sign-in sheet, to the STA office within 30 calendar days of the event.
- If applicable, please include a copy of conference brochures or information sheets of presentation.

#### **Whole Staff Pro-D funds may be applied toward the cost of:**

1. Building rentals, up to \$300.00.
2. Costs for presenters:
  - a) A school requesting a workshop by an STA member must pay for TTOC costs from its own school Pro-D funds. If the STA member requests preparation time, then funding will be based on the following formula:
    - i. Half-day release time to prepare for a half day presentation
    - ii. One day release time to prepare for a one day presentation
  - b) A school requesting a workshop by an STA member, where the STA member's school is also having a Pro-D day, may, upon request, provide the STA member-facilitator a TTOC release day at another time, to allow them to attend a Pro-D activity of their choice. The host school will pay the TTOC costs from its own school Pro-D funds.
  - c) A fee (invoice) may be charged by an STA member who acts as a facilitator for a Pro-D workshop held outside of their regular work day.
  - d) If a speaker from another school district requires funding for a TTOC, this information must be sent with the application form. A letter will then be sent from the STA to the school board concerned to submit the bill for TTOC costs to the STA office for payment. Payment will be taken from the school's Pro-D funds.
3. A gift of up to \$50 for the member-facilitator may also be charged to the school's Pro-D funds.
4. Acceptable gifts include: gift cards, flowers, gift baskets, etc. (Note: alcohol or monetary gifts are not permitted.)
5. Pro-D funds are not to be applied to any expenses related to admin-directed non instructional days.
6. Snacks for coffee breaks (maximum \$3.50 per person); lunch (maximum \$25.00 per person) can be provided for STA members and presenters. These amounts must include tax and delivery and tips.

## **REMINDERS TO STAFF:**

- 1. TTOC Costs/LOAs:
  - a) The School Board requires a separate “Leave of Absence” (LOA) form for any day school is in session.
  - b) Members must complete the LOA request with the School Board (as per usual procedures).
  - c) Members must request their own TTOC through the normal dispatch procedures.
  - d) Submission and approval of an LOA does NOT guarantee availability of Pro-D funds (e.g., the school board does NOT provide the TTOC without cost, so make sure there are Pro-D funds available to you for this purpose).
  - e) When applying for Pro-D funds to cover TTOC costs, an approved Pro-D funding application form must be on file at the STA office prior to booking the LOA.

2. You must cash cheques before they become stale-dated (6 months).
3. Pro-D chairs will check with the STA Professional Development Officer (Erin Coleman) if they are not sure if a claim is eligible for funding (e.g., fits within the funding guidelines). You should not assume that you will get funding before receiving confirmation from your school Pro-D chairperson.
4. Pro-D funds should be used for events that are of a greater benefit to the employer than to the employee or they will be considered a taxable benefit (and we cannot approve Pro-D funds for such events). Preferably, the event being attended should relate directly to your teaching assignment in the district.
5. If you or your school Pro-D chairpersons have any questions regarding an application for funds, please e-mail the STA Professional Development Officer (Erin Coleman) at pd@surreyteachers.org or call the STA office. It is very important that we continue to manage the Pro-D funds well.
6. After September 15th, ALL UNUSED SCHOOL FUNDS will be rolled into the "Consolidation Account", for individual members to access for SPECIFIED Pro-D events, until the fund is exhausted (Pro-D forms will explain the process).

**STA Pro-D funds may NOT be applied toward the cost of:**

- Curriculum books or teaching supplies (including videos, teachers' guides, teaching programs, etc.).
- Activities that are primarily of more personal than professional benefit.
- Field trips with students.
- Pro-D events related to Charter Schools
- Group or individual fees for conferences or workshops put on by individual STA members or LSAs unless they have received the prior written approval of the STA Professional Development Committee and permission to use the STA logo in all advertising, showing that the event is approved by the STA. LSAs, or individual teachers should contact the STA Pro-D committee to apply for STA approval of Pro-D events they are planning. When approved, the STA logo may appear on all advertising for such events, indicating STA approval.
- Teacher-on-call or any other costs related to Board organized or Board initiated in-service, accreditation, curriculum implementation, leadership and organizational function, or any professional development activity UNLESS the STA Professional Development Committee has been involved in the planning and organization of the activity in a decision-making capacity. The STA logo will appear on all advertising for such events, indicating STA approval.
- A fee or honorarium charged by an STA member who acts as a facilitator for a Professional Development workshop held during their regular work day.
- Courses taken for credit.
- Any costs associated with admin-directed non-instructional days.

# THE PROFESSIONAL DEVELOPMENT LENS

At the centre of the lens are teachers and their learning, both as a collective and as individuals. The term “teachers’ professional development” is used to highlight its use both in thinking about individual PD and PD as a collective endeavor.

## The Inner Ring: Key criteria

The inner ring consists of three factors that are necessary for an activity to be considered professional development. If any of the three are not present, then the activity should not be seen as professional development.

### a. Relevant

Does this activity help me improve the work I do in my role as a teacher?

Does this activity help the teachers involved improve the work they do as a collective?

### b. Autonomous

Has this activity been/voluntarily chosen?

Does this activity jeopardize the autonomy of my colleagues?

### c. Responsible

Does this activity meet obligations to colleagues, collective agreements, and our profession?

## The Outer Ring: Necessary factors

The factors in the outer ring are critical to the success of teacher-directed professional development as a collective endeavor. In turn, this collective work provides the necessary conditions for all teachers to be able to create their own rich tapestries of appropriate professional learning.

### a. Funded and Supported

Teacher-directed professional development must be supported with time, information, respect, and encouragement.

Adequate funds for both individual and collective teacher-directed professional development opportunities must be available.

### b. Career-long

Appropriate opportunities for teacher-directed professional development span the full range of a teacher’s career.

### c. Diverse

Teacher-directed professional development opportunities should span a wide range of topics and learning methods.

### d. Collaborative

Teacher-directed professional development is best when teachers work together to plan, to deliver, and to share their professional learning.
